

NexaFlow Refund and Cancellation Policy

Refund Policy

NexaFlow offers a 14-day money-back guarantee on all paid plans for new customers. Refund requests must be submitted within 14 days of the initial purchase date. Refunds are not available for renewal charges, add-on purchases, or accounts that have exceeded fair usage limits.

To request a refund, contact support@nexaflow.io with your account email and order ID. Approved refunds are processed within 5-7 business days to the original payment method.

Cancellation Policy

You may cancel your NexaFlow subscription at any time. Cancellation takes effect at the end of the current billing cycle. You will retain access to paid features until the cycle ends.

To cancel, navigate to Account Settings > Billing > Cancel Subscription. You will receive a confirmation email within 24 hours.

Annual subscriptions cancelled after the 14-day refund window are not eligible for pro-rated refunds. Monthly subscriptions may be cancelled at any time without penalty.

Disputed Charges

If you believe you were charged in error, contact our billing team immediately at billing@nexaflow.io. Include your transaction ID and a description of the issue. We investigate all disputes within 3 business days. Unresolved billing disputes should be escalated to a senior billing specialist.

Account Suspension Policy

Accounts may be suspended for non-payment after 7 days past the due date. A grace period warning email is sent 3 days before suspension. Suspended accounts retain data for 30 days before permanent deletion. To reinstate a suspended account, settle the outstanding balance via the billing portal.
